

RESUME POSTING BOARD - HERE'S HOW IT WORKS!

Are you about to graduate and want a job to be waiting for you? Looking for a summer job? Or are you just curious about what other options are out there? Accounting, computer/IT, purchasing, management, sales, and estimating/drafting are all career opportunities in the building material industry.

Northwestern Lumber Association can help you find available positions with our ResumePosting Board on our web site (www.nlassn.org).

Here's how the Resume Posting Board works. Use the form on the back to sign up for the Board. We will assign you a number and post your information anonymously. Prospective employers will view your information and

contact us. We will then contact you and provide the name and number of the company who expresses interest in your resume.

Return your completed form to:
