

EPA-Accredited Renovation, Repair, and Painting Program (RRP) Training Providers

The following training providers have been accredited by EPA to provide training for renovators under EPA's Renovation, Repair, and Painting (RRP) Program. Trainers who are also accredited to provide training for dust sampling technicians are indicated by an asterisk (*) after their name. Trainers are listed alphabetically by state. At the end of the state listing, EPA has listed all of the trainers that have been approved to travel to provide training anywhere in the country. Please contact the trainer directly for course availability and scheduling.
