

Fast relief for the pain caused by delinquent accounts receivable.

AmerAssist's Binary Receivables Program Can Recover Your Delinquent Accounts for Less Than **10%** Per Account

AmerAssist specializes in accounts receivable management and recovery solutions for business professionals that are economical, professional, comprehensive and effective without alienating your customers.

Side effects include:

- Improved cash flow
- Improved staff productivity
- Reduced write-offs

Together with the Northwestern Lumber Association, we have developed a program to improve cash flow and the recovery of delinquent accounts — crucial to the business success of your organization.

For complete details about the exclusive receivables management program available to association members, return the attached reply card today.

For faster service, call 877-207-9215 toll free or fax to 877-900-6300.
